

PUBLIC INFORMATION BULLETIN NO. 8
SEPTEMBER 2022
HART STREET / WAIAKAMILO ROAD
REPLACEMENT SEWER
JOB NO. W1-20

INTRODUCTION

This bulletin is published to the project website www.hartsewer.org monthly to keep the community informed about construction work associated with the Hart Street / Waiakamilo Road Replacement Sewer Project. The contract Notice-To-Proceed was issued to Frank V. Coluccio Construction Company (FVCCC) on November 1, 2021. Heavy construction is scheduled to continue through the Summer of 2023. Please refer to the attached map and visit the project website for more detailed information about this project. To request hard copies of the monthly information bulletins please call the project hotline at (808) 219-7009.

UPDATES FOR ONGOING ACTIVITIES

FVCCC performed the following work in August:

- Relocation of underground utilities.
- Jet grouting for excavation support and groundwater control.
- Excavation for installation of new sewer lines and manholes.
- Installation of new sewer lines and manholes.
- Restoration of median curbs.

SEPTEMBER FORECAST OF ACTIVITIES

The activities listed below are scheduled to begin and/or continue in September. The approximate locations and work hours for these activities are shown on the attached map.

- Rehabilitation of existing manholes.
- Jet grouting for excavation support and groundwater control.
- Excavation for installation of new sewer lines and manholes.
- Installation of new sewer lines and manholes.

TRAFFIC UPDATES FOR SEPTEMBER

Construction work will require lane closures at several locations on Waiakamilo Rd., Dillingham Blvd., and/or Hart St. Access to driveways will be maintained via right turn motions from the travel lanes fronting them; however, access to some driveways via left turn motions may not be available due to the presence of work area closures.

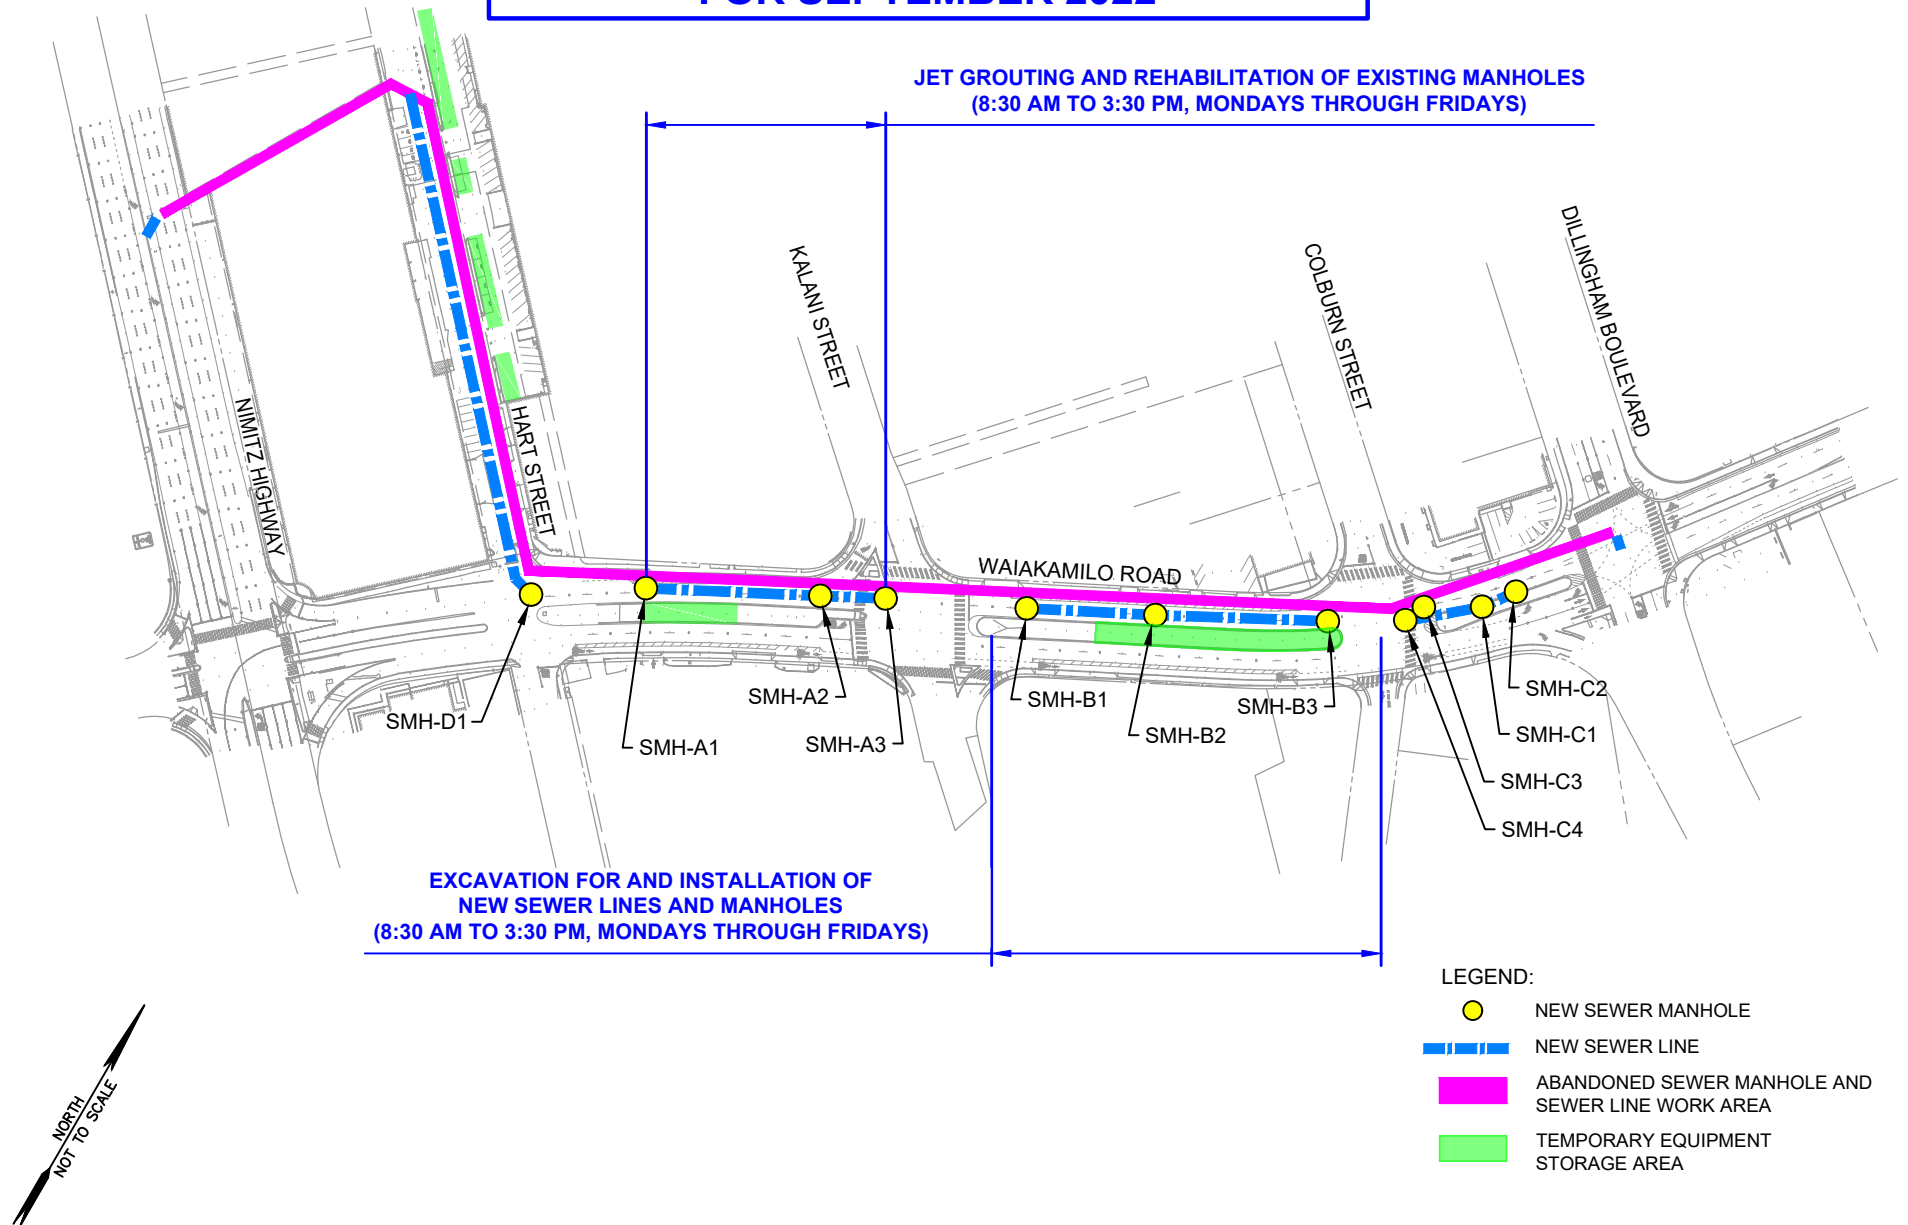

CONTACT INFORMATION

For more information about this project, please visit the project website: www.hartsewer.org or call the project hotline at (808) 219-7009.
